SLA MANAGEMENT IS EXCITED TO BE PROVIDING YOUR LUNCH SERVICE FOR THE

2015-2016 school year!

This summer our staff has been hard at work developing new dishes that incorporate fresher ingredients and new cooking techniques. We have reinvented the way we prepare many dishes. Our pizza is now made fresh in house and many of our chicken dishes will now be prepared using fresh, boneless, skinless chicken.

The world of school food is continually changing and evolving. Many of our current initiatives were motivated by valuable feedback from you, so please continue to let us know how we are doing.

We thank you for your continued support, and we look forward to a great school lunch year!
